

Become a Part of Invisible Differences!

"I choose not to place the 'DIS' in my ability"-
-Robert M. Hensel

Companies That Care

INVISIBLE Differences

**Do you have an Invisible Difference?
Do you love someone who does?
Talk to us! We'll tackle this together.**

Send us your name and contact information. Tell us how we can help you.
Phone: (312) 661-1010 **Email:** laurenclennon@companies-that-care.org

"Invisible Differences" are neurobehavioral, learning or emotional characteristics (usually invisible to the eye) that require learning and working differently than "neurotypical" folks. With the right supports, the abilities are awesome.

Invisible Differences, a program of Center for Companies That Care, supports young adults with neurobehavioral and learning disabilities complete their education and prepare for productive careers doing work they love. We also provide resources and support to caregivers of young adults with invisible differences, and the organizations that employ them.
